

# **NATIONAL CONFERENCE ON INCLUSIVE EDUCATION CRE STATUS NATIONAL CONFERENCE**

**Venue : The United Technology college (UTC) Bangalore, Karnataka  
5-7 December 2019  
09:00 am to 05:00 pm**

The National Institute for Empowerment of Persons with Multiple Disabilities (Divyangjan), Department of Empowerment of Persons with Disabilities, MSJE; the Association of People with Disability (APD), Bangalore; the Centre for Disability Studies and Action (CDSA), Social Work Department of Tata Institute of Social Sciences (TISS), and Brotherhood, Delhi are jointly organizing National Conference on Inclusive Education from 5-7 December 2019 at the Ecumenical Resources Centre, the United Theological College (UTC), Benson Town, Bengaluru, Karnataka.

Six national conferences (one each at TISS Mumbai, Goa, Delhi, Patiala, Baroda and Shimla) and one international conference (TISS Mumbai) have already been organized in a span of 30 months by CDSA, TISS and Brotherhood with the help of local organizations/institutions. Approximately 180 papers were presented by the practitioners during the conferences. Thus, these conferences are not events, but it is a mission.

We aim to reach all professionals from different parts of country and to bring all in to common platform and share the work with each other by publishing the papers presented by participants with ISBN.

## **INCLUSIVE EDUCATION - LEARNING TOGETHER**

Inclusive education is about how we develop and design our schools, classrooms, programs and activities so that all students learn and participate together. For a school to be inclusive, all children, regardless of their ability level have to be included in a mainstream classroom, so that students of all ability levels are taught as equals, and that teachers adjust their curriculum and teaching methodologies for all students to benefit. Implementation of an inclusive education would require a number of changes in present day teaching practices, curriculum content, infrastructure, technological aids, evaluation procedures and available resources at the school level.

The overall aims of such conference is to get an opportunity to share and disseminate ideas, research findings, academic, field - level experiences on Inclusive Education, evidence bases practices and innovation in inclusive education from different parts of India and create a sharing community to feel all children safe and secure in the classroom.

## **CALL FOR PAPERS**

The practitioners are invited to present papers based on

- Researches
- Evidence based practices
- Innovations and Practices based on information and communication & Assistive technologies

The technical committee will select the papers. The selected papers should be presented by the practitioners. These selected papers will be published in the forthcoming book with ISBN.

## **WHO CAN PARTICIPATE?**

The schools' team comprising regular teacher, special teachers, Principals and other professionals educating children with and without disabilities in inclusive settings and Teacher educators from DIETs, Colleges of Education and Departments of Education of various Universities who can highlight the training aspects and researches undertaken in inclusive education process can participate.
